Mustang Memories
1985

What does it mean to be a senior? To some it is a final chapter in their educational lives; to others it is a stepping stone to higher education.

On our first day in the high school, August 24, 1979, some thought *our* year would never come, but it has. The endless days in elementary school gradually became fast paced days in high school. We have seen our classmates grow from immature children into adults taking on new identities.

We have always felt safe within the walls of F.C., but now we realize we have to look on. For some, we will never see again and the last day will be June 2, 1985, so with tears of sadness and of joy, we say goodbye.

The Place To Be

Some people don't think school is the place to be, but it really isn't all that bad. There is a time to study and learn and also a time to be relaxed and have some fun. Whether it be chatting with friends or cheering the school on, we all stick together. If it weren't for school, we wouldn't have as many friends or people to share our problems with. We would also be missing out on a lot of good times.

When someone asks what school we are from, we proudly say F.C. We are achievers of academic and athletic excellence. We want our name to be respected and accepted in the community, because we believe we are #1.

A Place Of Memories

The 1984-85 school year is surely not to be forgotten There was a lot of hard work, dedication, and many memories that we won't forget. School wasn't just for learning but a place for social interaction. Girls discussing their problems about guys, and guys rapping about their problems with football plays. All in all school was a great place to be

HAT DAY 1985

Each day during Homecoming Week had a different theme, but the most popular theme day seemed to be Hat Day. Members from each class took the opportunity to wear their favorite hat. From seniors to seventh graders, almost everyone had a hat which reflected something of the owner's true personality and everyone delighted in the fact that they didn't have to take their hats off in class, for the entire day.

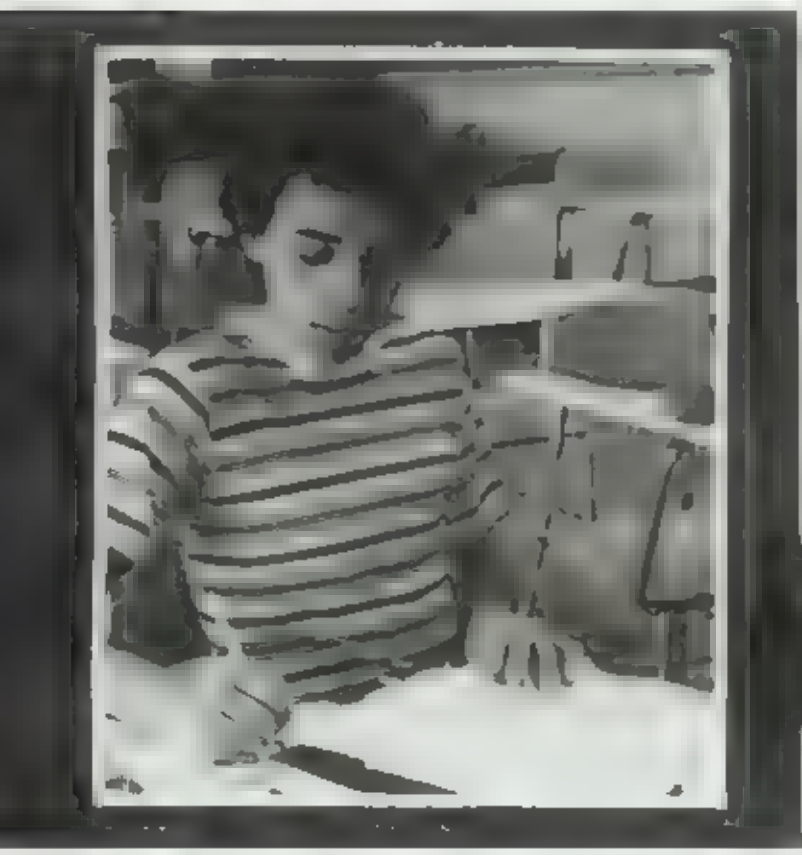
Seniors Work & Play

The Fountain Central Senior Class of 1985 has a lot to show for its efforts and good times. Through joy and sorrow they've grown together to become young adults. These seniors will go their separate ways yet will always have their fond memories to pull them through even the worst of times. These seniors will be sent out in this world to establish a life of their own.

Studious pupil Roger Pavey is working on a story for *Pony Express*.



T. French, T. Wilson, and S. Pool are 3 of F.C.'s finest.

These two Barbie Dolls are S. Hebhart and C. Stockdale.

Senior class officers are C[illegible] Clements, S[illegible] Rice, G[illegible] Lawson, and [illegible] Lewander

No, these aren't New York models. They are M[illegible] W[illegible] and [illegible] Nix[illegible]

Saga Of Class Of '85

Our story started when we became the first kindergarten class at the new Southeast Fountain Elementary School. For the first time we met other children from all over the Southern part of the county. These were the friends we were to be with throughout our next thirteen years of school. After we had learned everything the elementary school could teach us (or so we thought) we were on our way to the next big step in our life and that was crossing the parking lot to the high school

Walking into the high school was exciting, but scary "What will happen to us?" We were no longer the oldest kids We would go from being big kid on the block to being the youngest of 600. We were scared to death of having our lockers stacked and of ever finding our classes. But, the two years of junior high went quickly and next on our agenda was senior high and freshman biology

Then it started again! We would go from being the oldest to the youngest once more. And what about biology? They were going to make us cut open a fish, frog, and a worm. We were so scared of throwing up or fainting and having the whole class laugh. We soon found that biology wasn't that bad. We also, found that for Homecoming we had to decorate our hall. Then we found out we had to build a float, too Everyone pulled together and our hall decorations won first place. We had beaten the seniors

Next, we were sophomores. With that honor we moved up another notch on the totem pole, but, it also meant speech class. We were frightened to get up in front of the whole class and give a speech. Everyone would have their attention focused on you, but, we made it through, sweaty palms and al Again, we showed up the rest of the school by winning first place with our float. We beat the seniors again and we knew we had what it takes to be winners

Then came our junior year, a year none of us would forget Fall began with football and the taste of success was in the air. Once again we won float competition, but that victory paled in comparison to the victory our whole school experienced, which was winning the state football championship Some of us played on the team, some of us were cheerleaders, but all of us shared in the pride of being state champions

Finally, our year had come. We were seniors. Once again we won the prestigious float competition and the senior girls defeated the juniors in the powder puff football game, but with our senior year came the serious questions we had to face about the future. Eagerly we faced the goal of graduation, but sadly we faced the thought of leaving our friends and school we had known so long

Faculty

Be it English, or history, science, or math, Fountain Central has one of the best qualified staff of teachers in the area. From preparing lessons to putting many hours into extracurricular activities, our teachers' day doesn't end when the bell sounds. It takes a great deal of dedication, as well as patience to administer knowledge to today's youth. At times, it seemed as if the teachers were the worst enemies of the students, but when all was said and done, the two proved to be "intellectually bearable."

Thanks to our faculty, this year has been one of successful learning

Administration

Maintaining a smooth running educational facility is just as hard as keeping any major corporation in business. The experienced administration of the Southeast Fountain School Corporation, and the man who administers all the facets of education, Mr. Gerald L. York, has helped make the 1984-85 school year a successful, efficient operation

The elected officials of the five member school board determine the policies, and procedures local education will follow It is also the school board's responsibility to "bridge the gap" between the school system, and the public.

F.C. Future Bright

JV GOES 9-1

The 1984 Junior Varsity squad had a great year. Through a total team effort and outstanding individual accomplishments, the team ended their season with eight wins and only one defeat.

The team, composed of freshmen and sophomores, played traditional Mustang football. Opposing offenses were shut down by the hard hitting and aggressive defense. The offense, though struggling in the early part of the season, played good fundamental football all year and came through in the clutch situations.

Guiding the Mustangs for the first time were Coach Harlow and Coach Landis. Their long hours of hard work and dedication payed off by producing the strongest JV team in the area.

The future looks promising for F.C. football.

AMY BUKER IS MOST VALUABLE

The Lady Mustang volleyball team finished the 1984-85 season with a 1-6 record. Being a young team did not put a damper on the enthusiasm of the varsity and junior varsity teams. Everyone worked hard and dedicated themselves, putting more emphasis on improvement than on winning. All of the players will be returning next season and the Lady Mustangs are expected to be one of the leading teams in the area under the coaching of Roberta Bair. Trena Lyons was voted as the most improved player with Jodi Allhands receiving the mental attitude award and Amy Buker being given captain and most valuable player honors. The junior varsity-best effort award was received by sophomore Tina Ratcliff.

Go Lady Mustangs!

LYONS AND BUKER SHARE — MVP

The 1984-85 Girls Basketball season ended with the Lady Mustangs record at 8-11. The young team worked hard throughout the year to rebuild their team and refill the positions of the six seniors left from the 1983-84 season. Coach Haraday assisted by Coach Sabrina Scales led the ladies and helped them become a working unit. The enthusiasm of the team did not diminish through the season though many girls were inexperienced on the Varsity level. Two of the highlights of the season were the defeat of Montezuma and rival Seeger. Great things are expected of the Mustangs next year. The team consisted of Juniors, Jodi Allhands, Brenda Amburn and Lori Hardesty. Sophomores were Amy Buker and Freshmen were Tracey Lyons and Trena Lyons.

CALVIN WINS SECTIONAL

The Girls' Track team coached by Roberta Bair put forth much effort to develop into the strongest team possible for the small amount of girls participating. Although the record shows no wins, the dedicated members kept working to improve their individual records

Senior Teresa Calvin proved to be the major force on the FC track team. Calvin had a terrific year winning first place honors at WRC and sectionals, qualifying her to go to regional competition. Other team members that journeyed to sectionals were: Amy Buker, Shelley Wagner, Teresa Calvin, and Lisa Hershberher of the 400 m relay team and Julia Pool in the high jump

The Girls' Tennis team finished the season with a very respectable 9-4 record. This included a 4-0 record in the Bi-County, while capturing the Bi-County championship

Paula Croft and Jeannine Mitchell were the only graduating seniors on the team. This leaves Coach Taylor with a promising outlook on the future Returning to next year's team will be regional qualifier and number one seed, Tammy Sperry. SIX MAKE BI-COUNTY

The 1985 Fountain Central baseball team began the season with many high hopes. Coach Mike Stewart had a good returning nucleus and some fine up and coming underclassmen

Although the team had many good showings, it was marred by poor defense and a poor record. Even though, FC finished with a 1-2 record in the Bi-county, there where six players recognized for their individual performances Named to the All Bi-County team were Derrek Patton, Donald Wilson, Rob Brimbury, Jeff Roberts, Chris Bailey, and Darrel Abney. Fountain Central placed more players than any other team on the All Bi-County squad

Fountain Central's offensive attack was potent Its team batting average hovered around .300 all season. With much improved pitching, Fountain Central became very competitive. Congratulations to the team and coaching staff for all of their hard work and determination

Three Cheers For F.C. High

WE HAVE THE BEST TEAM, NONE CAN DENY

Go Big Blue!!

Being a cheerleader can be a lot of fun but it does involve work. The cheerleaders' main responsibility is to raise the schools' spirit, but along with doing that there are other jobs they do. Some of these involve decorating for the sports banquets, setting up spirit days, making up new cheers and chants, and hanging signs.

This years' squad had three senior members that were honored with the ballplayers on Senior Night. They were Dawn Robbins, Missy Oldani, and Lisa Keeling. Their parents accompanied them onto the floor where they were thanked for their six years of dedication to F.C

These young ladies dedicate their time and energy to help raise the schools' Spirit. The Sunshine Society consists of 17 members The Society exists to serve the school and the community and its motto is "others". The Fountain Central chapter demonstrates this motto by serving others in many ways. Its members visit nursing homes and deliver fruit to the elderly. At school the Society sponsors Sunshine Week, during which time it holds special days for students, faculty members, administrators, secretaries, cooks and bus drivers

A highlight of spring is the Ideal Ladies Tea. Each girl in the Society selects a special woman she looks up to. During the year she honors this person and at the tea in the spring the ideal ladies receive special recognition

A Sweetheart Dance and a Senior Breakfast are other functions sponsored by the Sunshine Society This year's president, Krissi Lewsader, expresses the very spirit of the organization when she stated, "In the four years that I have been in Sunshine I have learned a lot about caring for others and I have enjoyed the club very much."

Welding

Preparing for the future, that is the goal of the vocational welding class at Fountain Central. Combining students from four area schools, this two-year program trains young men for jobs in local industry. By the end of the two-year period the students have had many hours of actual hands-on training, supervised by instructor Richard McNeeley. Seniors Bill Mortimore, Brian Williams, Bob Ford, James Gosnell, and Brian Stockdale represented the welding class at the "1985 Indiana-Kentucky Welding Classic" where they received top honors

This year marks the ninth annual Fountain Trust Awards Banquet sponsored by the Fountain Trust Company. This awards program was started in 1977 when the Fountain Trust Company, after consulting with school officials, decided to inaugurate a program which they hoped would encourage academic effort.

A student who receives an award from Fountain Central is truly deserving, as Fountain Central High School is known in the area to have high academic standards.

Fountain Central High School wishes to express its appreciation to the Fountain Trust Company for its interest in and encouragement of our student's academic endeavors. Together we extend our congratulations to this year's award recipients.

Drama Club

The Fountain Central Drama Club had a big year. For the first time ever, the club presented two plays in a single year. In February they presented *Glimpses*, a series of skits and monologues showing different out looks on life. On May 11 the Drama Club presented excerpts from *Glimpses* at the Wabash Valley Arts Festival.

On May 17 and 18 the club presented a second play, *The Curious Savage*. This was the story of a woman who was committed to a home for mentally disturbed people by her three greedy children.

Mrs. Savage gets revenge by blackmailing Belle for attempting to take her teddy bear.

Cast: B. Throckmorton, [illegible] Herstberger, [illegible] Hazlett, J. Allbands, [illegible] Nixon, C. Clements, [illegible] Lewinder and D. Evans. Back: T. Rumor, Mrs. Ross, R. Pavey, C. Kulzke, R. Pickell, L. [illegible] and S. Starkey.

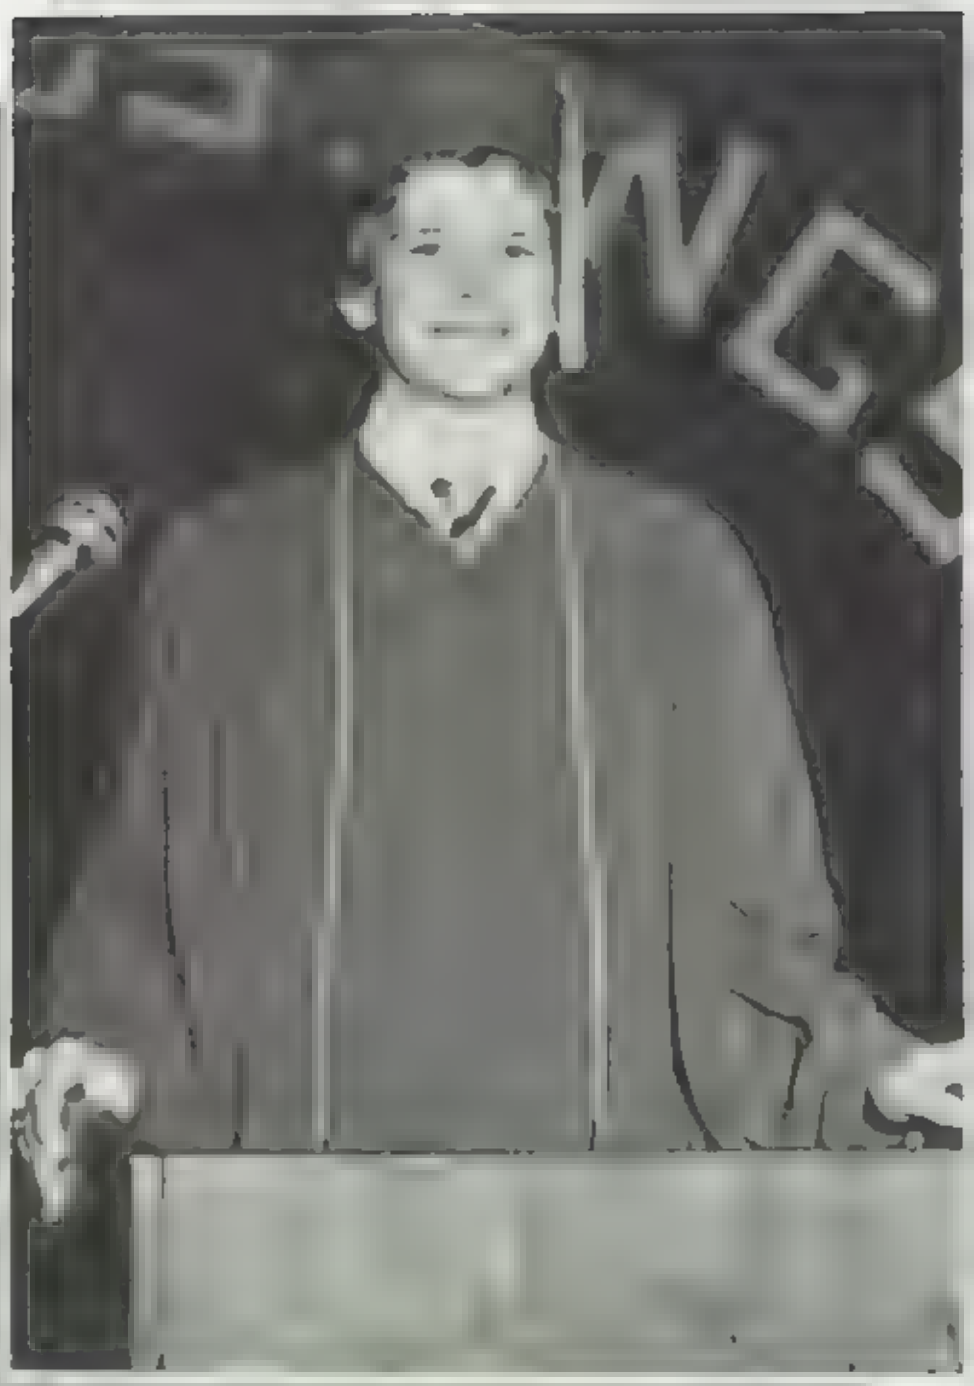
Valedictorian

Carl Klutzke



The big day has finally arrived! It seems like only months ago that we came to this new school where we had no recess. It was only weeks ago that we were disecting worms and frogs, and running around in gym. It was only yesterday that we went to U.S. History to do worksheets and battle charts. Now that is all over.

But this is more than the end. We are now free to choose what we want to do, to seek employment, continue our education, or raise a family. This phase is over; now we start again
